Dear Deirdre:

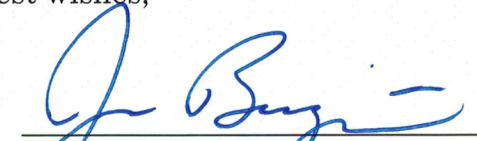

Congratulations on being named the **2021 Independent Insurance Agents of North Carolina Agent of the Year!**

As fellow insurance agents, we applaud this recognition of your hard work and commitment to the advancement of our profession as a volunteer leader within IIANC, both through your leadership as a member of the IIANC Board of Directors and your willingness to serve as initial Chair of the IIANC Diversity Committee launched by IIANC earlier this year.

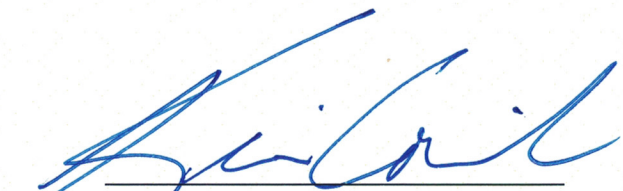

And, we are especially appreciative of your work in support of IIANC's advocacy efforts on securing a hands-free driving law for North Carolina.

We are so incredibly proud and honored to call you colleague and friend, and cannot imagine a more deserving recipient of this year's Agent of the Year Award within the membership of IIANC.

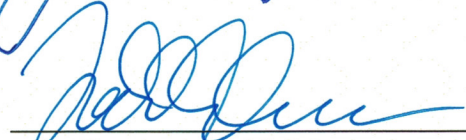

Best wishes,

Senator Jim Burgin

Senator Kevin Corbin

Senator Todd Johnson

Senator Vickie Sawyer

Representative Chris Humphrey
